

**UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA**

CORNELIUS JOSEPH O'LEARY, M.D.,

2:12-CV-215 JCM (GWF)

Plaintiff,

v.

THE UNITED STATES OF AMERICA,
et al.,

Defendants.

ORDER

Presently before the court is plaintiff Cornelius Joseph O'Leary Jr.'s motion to reopen his case. Doc. #11. Defendants have not responded.

On April 18, 2012, this court adopted the recommendation of Magistrate Judge George Foley and dismissed O'Leary's complaint finding that his allegations of social engineering and threats by federal agents to murder plaintiff were "fantastic, delusional and irrational." Doc. #5. On May 24, 2012, plaintiff filed the instant motion, requesting that the court reopen his case.

The motion pleads with the court to reopen the case in light of plaintiff's suffering at the hands of the Department of Justice of nearly 10 years. Mot. 1:23-24. While the court is sympathetic to plaintiff's plight, there are no grounds upon which to reopen this case. Plaintiff has failed to state a proper claim, and has failed to persuade this court that there are any grounds for reconsideration.
